

Brothers and sisters,

These are very difficult days. I cannot remember a time in my lifetime like this. And we acknowledge that people are scared. We need to pray for peace. We need to pray for justice to play out. And as Christians, that we are doing all we can by our actions to foster peace.

Please continue to pray for peace and tranquility to come upon our cities today, now. We need it more than ever. And let us do everything in our power to ensure that what we are doing with our lives is respecting the dignity of every human being and living the gospel values that Jesus taught us.
