

*Inspiring commitment to the Cathedral as a world-class treasure in our community*

The Cathedral Heritage Foundation will host British award-winning light and sound company, **Luxmuralis**, in its American debut, *Cathedral Illuminated: The Manger*.

Our **Cathedral of Saint Paul** exterior will be bathed in light and sound to reveal a story of peace and joy.

**Thursday through Saturday, Dec. 17-19, 2020  
6:00 – 9:00 p.m.**

**\*Viewing from your car along Summit Avenue**

**WHO:**

**Luxmuralis** is an award-winning projection art company based in Lichfield, England with illumination by artist Peter Walker and music by David Harper. Their shows regularly draw crowds of 20,000 throughout the UK and Europe. This will be their first project in the U.S.

**WHAT:**

The **Cathedral Heritage Foundation** is seeking sponsorship partners in order to offer this at no cost to the public. The CHF is a nonprofit 501(c)3, nonreligious foundation that supports the Cathedral’s art, music and cultural activities as well as supporting preservation of the historic landmark building. Given the hilltop setting of the Cathedral, the light show will broadcast a message of joy through the dark winter night for miles around. We will also stream it live on CHF and CSP Facebook pages.

**DETAILS:**

Our goal is to raise \$75,000 to cover expenses for this three-day event. Funds will be applied towards the artist’s fee and live production, viewing set-up, city park fees, security, event management and promotions, insurance, and other general support, enabling CHF to present this gift to the community. (Line-item budget provided upon request.)

**Donations may be made securely through the CHF website [online](#), or by mailing a check to Paula Norris, Cathedral Heritage Foundation, PO Box 40027, Saint Paul, MN 55104 Ph. 952-835-2275.**

**DEAR SPONSORS:**

Donors at the \$10,000 level and above will be listed on screen during the live streamed event. All sponsors will be added to banners outside the Cathedral, and named on newsletters, posters, flyers, social media & website.

**A message from CHF Board Chair Mary E. Schaffner:**

“CHF is thrilled to have Luxmuralis debut in America on the magnificent east façade of the Cathedral of Saint Paul. Our presentation will run concurrently with the Lichfield Cathedral in England, building a bridge of unity for 2021. Please join us in sharing the Season’s messages of Joy and Peace on Earth as a challenging year draws to a close and we look forward to the New Year.”

**\*Viewing of the 12-minute show will also be livestreamed on Facebook/CathedralHeritageFoundation. The show will be on a continuous loop for three hours. We are following [#StaySafeMN guidelines](#) and all viewing will be from inside vehicles.**
